

## Pupil Acceptable Use Policy Agreement (January 2026)

---

This is how we stay safe when we use the school's laptops and/or ipads – whether using them at or away from school:

- I will ask a teacher, parent or suitable adult if I want to use the computers/tablets
- I will only use activities that a teacher, parent or suitable adult has told or allowed me to use
- I will take care of computers/tablets and other equipment
- I will ask for help from a teacher, parent or suitable adult if I am not sure what to do or if I think I have done something wrong
- I will tell a teacher, parent or suitable adult if I see something that upsets me on the screen
- I will not use a mobile phone or smart watch whilst at school (whether that be on the school site or on a visit elsewhere).
- I know that if I break the rules, I might not be allowed to use a computer/tablet
